Compositions and delivery of Sermons.

Members of the first class are required to exhibit original compositions once in two weeks; those of the second class, once in three weeks; and those of the third class, once in four weeks.

Every person applying for admission into the Seminary, must produce satisfactory written testimonials, that he possesses good natural talents, and is of a prudent and discreet deportment; that he is in full communion with some regular Church; and that he has passed through a regular course of Academic study; or, wanting this, he must submit himself to an examination in regard to the branches of literature usually taught in such a course.

When a Student has been received under the care of a Presbytery, and has passed his examination on the studies usually pur-

sued in Colleges, with approbation, a certificate from the Presbytery declaring this fact, is received as sufficient to answer every requisition in regard to testimonials.

When a Student, who has been connected with any other Theological Seminary, seeks admission into this, he must produce testimonials of his good standing, and regular dismission, before he can be received.

The proper time for entering the Seminary, is at the commencement of the Winter Session, which begins early in November. It is important that Students should be present at the opening of the Session, in order to make choice of rooms.

The Students, in addition to the use of libraries attached to the Seminary, have access to that of the College, and on application to the several Professors of that Institution, can have the privilege of attending lectures on Anatomy, Natural Philosophy, Chemistry and Natural History.

Gentlemen, well qualified to teach the German and French languages are resident here, and will give instruction in those branches to such Students as desire it at their own expense.

There is no charge made either for Tuition or Room-rent; but each Student pays $10 per annum to the "General Expense Fund," the object of which is to defray the contingent expenses of the Institution.

Indigent Students are aided either by the General Assembly "Board of Education," the "Presbyterian Education Society," or the funds of the Seminary.

The expense of Board in the Commons varies from $1.12 1-2 to $1.25 per week. Board may be obtained in private families at from $1.50 to $2.00 per week. Expense for Fuel from $5 to $7 per year. Washing $8.

VACATIONS.

There are two vacations in the year of six weeks each, one commencing on the first Thursday in May, the other on the last Wednesday in September:—and a recess of two weeks in February.
